The purpose of the Varsity Club includes attempts to instill a sense of the proper place of athletics in the high school, to encourage and promote those endeavors which benefit the school's athletic program whenever possible; to cooperate with other school organizations; to promote a sense of unity and harmony within the school by creating a better understanding between the athletic and academic aspects of the school, and to acknowledge the achievements of the various teams and individual players.

Anyone earning a Varsity Letter in any of the school-sponsored interscholastic sports is eligible for membership provided the applicant receives the endorsement of three faculty members, the principal and the coach of the sport(s) involved.

The major activities of the club include: supplying eligible club members with Varsity Club jackets, sponsoring "pep" ads in local newspapers and sports programs, helping to defray the cost of awards for championship teams, ordering and subsidizing student buses for many athletic contests upon request of the students; contributing to various school projects, and operating the refreshment stands at basketball and wrestling contests. When funds have been available, the club sponsored all sports banquets.

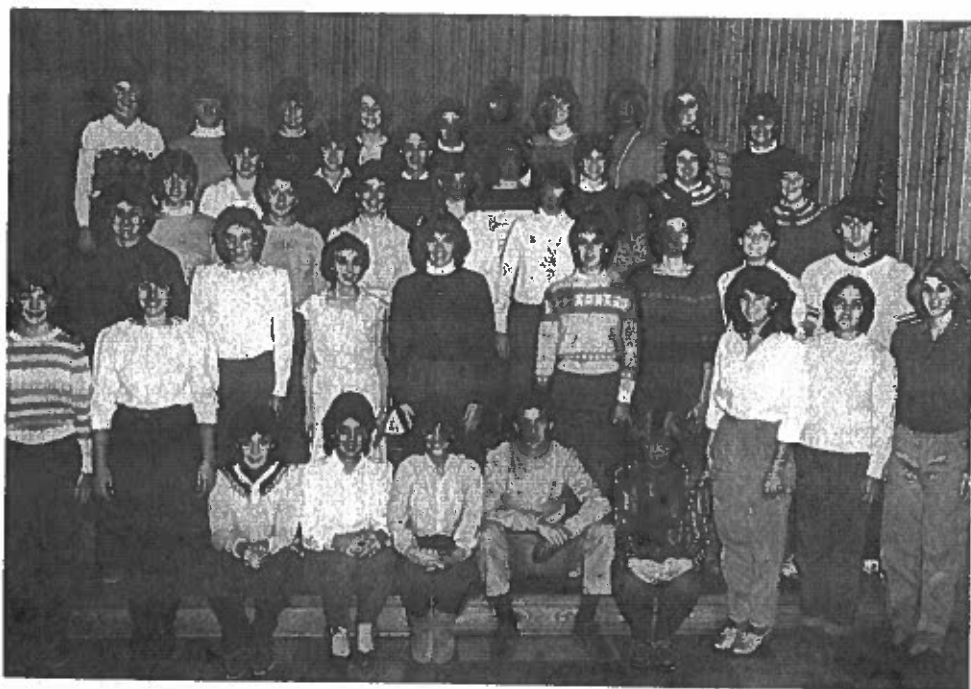

Student Council is an organization which anyone can join. It does not collect dues, it only asks that members try to attend all meetings and activities.

The biggest activity that Student Council sponsors is Homecoming. Members decorate the school and the bleachers and run the elections for the Homecoming Queen. Student Council also sponsors dances on holidays and often basketball games. In addition, this year it ran elections for a "King Cupid" at the Key Club's Valentine's Dance.

Student Council tries, with the help of the club advisor, Mr. Irey, to help the community. This year members collected games which they wrapped and delivered to a Juvenile Delinquency Home.
