# A New Force: Student Council

The Student Council is an organization formed within the student body to help improve the school and better relations among administration, faculty, and students.

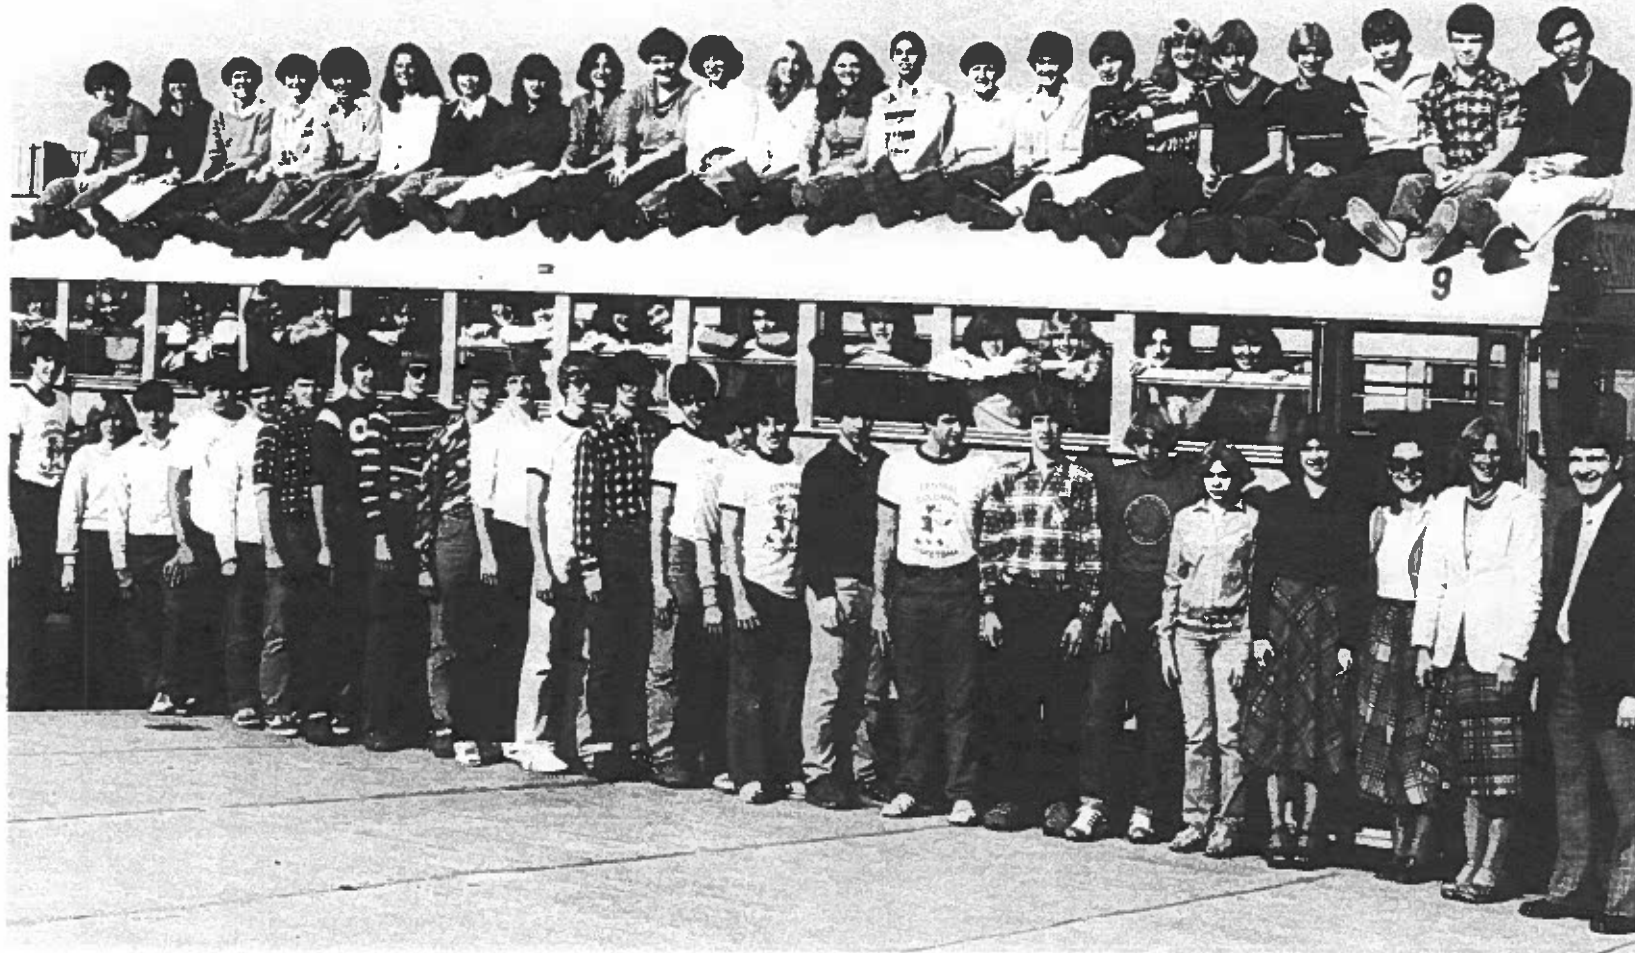

This year many changes took place in the activities with which the Student Council dealt. To get more people involved, a special committee, the Student Council Advisory Committee, was developed and served as a liason between the clubs and the Council. Representatives from each club worked together to help make a calendar listing of future events. The calendar was distributed each month. This helped to avoid an overlapping of activities.

Student Council's involvement in Homecoming Week was also handled differently this year. A variety of new activities were added, but the annual powderpuff-soccer game went on as scheduled. Thanks to the band, the annual parade was also a success.

# SOFTBALL

The 1978 softball team was surely one of the finest ever at Central. The 14-0 Columbia County League record was the best ever in league play and earned the Blue Jays their fifth CCL title in the seven years of the league's existence.

Overall Central was 15-1, the most wins ever for a Central softball team, and the only regret was a controversial 5-4 decision at Shikellamy in the District 4 semi-final round.

Pride alone would be enough to make the 1979 Blue Jays serious contenders for their third straight title (and sixth overall), but considering that only three seniors appeared in the 1978 line-up, the 1979 edition has an excellent nucleus of experienced veteran players returning. Add to that the usual crop of newcomers, who play a key role each year, and it's safe to predict that in 1979 the Jays will again be the team to beat in CCL and will once more make a serious run for the District 4 title and a state tournament bid.

# VARSITY CLUB

Varsity club is open to all student athletes who have earned one or more varsity letters in any of the school's interscholastic sports or cheerleading. It has as one of its primary purposes the encouragement and promotion of those endeavors which benefit the school's athletic program.

While the club helps to provide a common bond among members of the various athletic teams, it also seeks to promote cooperation with other school organizations and helps instill a sense of the proper place of athletics within the school. Varsity Club also serves to acknowledge the special achievements of various teams and individual athletes.

Club activities include: providing Varsity Club jackets for members, sponsoring the Outstanding Athlete awards, helping to subsidize student buses for games, contributing toward the payment for special awards to championship teams, and funding promotional advertisements in the local media. When adequate funds are available, Varsity Club sponsors banquets and helps fund equipment useful to the general athletic program.

The 1977 softball team became the fourth Central team to win the Columbia County League Championship in the past six years. They did it with a 12-2 league record and finished the season with a 13-3 overall record before bowing out in the District IV semi-finals.

With only four seniors graduated from that team — Colleen Hollister, Joyce Hansen, Wendy Smith, and Michele Talanca — the 1978 edition is one of the most experienced and talented teams we have ever had with eleven members returning.

Several members of this team have had their sights set on a State Championship for the past four years, we are all hoping for one and working toward that goal in 1978.
